## TRACE AROUND FOOT WITH A PENCIL HELD VERTICALLY.

1. Mark <u>ball of foot</u> and big toe for thong position.

2. Hold pencil at 45° angle and trace again—
The contact line all around the foot but not the toes.

Measure ball & instep over *TOP* of foot and heel circumference all the way around...

holding the tape measure FLAT.

<u>Cavalier and Moccasins:</u>

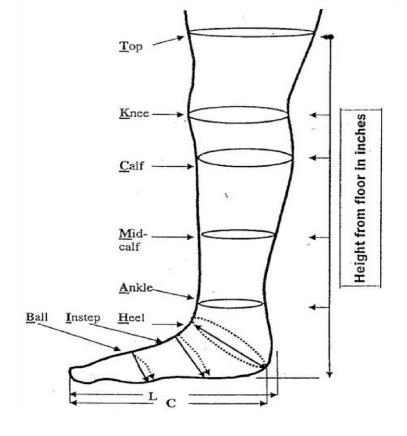

Include girth measurements at ball, instep and heel, ankle, low/mid/upper calf and top of boot.
